

Alley Pond Environmental Center

Field Biology Internship

Field Biology Internship Sessions

APEC offers 3 semesters: Spring, Summer, and Fall.

There are 6 classes per semester. Classes are conducted from 9:30am-12:30pm on Saturdays in fall and spring, and

Wednesdays in summer.

Contact Zachary Kaplan for more information:
zkaplan@alleypond.org or 718-229-4000

Internship Semester Dates

Summer 2021: June 30, July 7, 14, 21, 28 & Aug. 4.

Fall 2021: TBD

Spring 2022: TBD

Join us as we explore Alley Pond Park's ecosystems through scientific inquiry!

The APEC Field Biology Internship is geared towards high school Freshmen, Sophomores, Juniors, and Seniors who are looking to experience the adventure of participating in field research.

Interns will learn how to study the biodiversity of various ecosystems, as well as how to identify some of the local birds, invertebrates, and plants of NYC. All materials and research equipment are provided by APEC each week; we may utilize tools such as field guides, microscopes, seining nets, chest waders, and environmental testing equipment.

To receive more information about the Field Biology Internship program, including program costs* and the application process, please call 718-229-4000, or visit our website: (www.alleypond.org/field-biology-internship.html)

*A \$125 fee per intern may apply to sustain the program. Contact Zachary Kaplan at zkaplan@alleypond.org for further information.

Field Biology Internship Application

Internship Session (fill in year and circle one):

Fall 20_____ Spring 20_____ Summer 20_____

Student Name_____ Gender_____ Pref. Pronouns _____

Address_____ Apt._____

City_____ State_____ Zip_____

Home Phone#_____ Cell#_____

E-mail_____
