

Alley Pond Environmental Center

Field Biology Internship

COVID-19 GUIDELINES

- Effective March 2022, all visitors, ages 2-4, must wear masks while in the building

Field Biology Internship Sessions

APEC offers 3 semesters: Spring, Summer, and Fall.

There are 6 classes per semester.

Classes are conducted from 9:30am-12:30pm on Saturdays in fall and spring, & Wednesdays in summer.

Contact Zachary Kaplan for more information:
zkaplan@alleypond.org or 718-229-4000

Internship Semester Dates

Spring 2022: **April 30, May 7, 14, 21, 28, & June 4**

Summer 2022: **TBD**

Fall 2022: **TBD**

Join us as we explore Alley Pond Park's ecosystems through scientific inquiry!

The APEC Field Biology Internship is geared towards high school Freshmen, Sophomores, Juniors, and Seniors who are looking to experience the adventure of participating in field research.

Interns will learn how to study the biodiversity of various ecosystems, as well as how to identify some of the local birds, invertebrates, and plants of NYC. All materials and research equipment are provided by APEC each week; we may utilize tools such as field guides, microscopes, seining nets, chest waders, and environmental testing equipment.

To receive more information about the Field Biology Internship program and the application process, please call 718-229-4000 or visit our website: (www.alleypond.org/field-biology-internship.html)

FEES: \$125 program fee & \$25 materials fee.

Contact Zachary Kaplan at zkaplan@alleypond.org for further information.

Field Biology Internship Application

Internship Session (fill in year and circle one):

Fall 20_____ Spring 20_____ Summer 20_____

Student Name_____ Gender_____ Pref. Pronouns _____

Address_____ Apt._____

City_____ State_____ Zip_____

Home Phone#_____ Cell#_____

E-mail_____
